

Coast Guard, DHS

§ 150.300

life, property, or the environment. Each deviation must be reported to the COTP at the earliest possible time.

§ 150.50 What are the requirements for a facility spill response plan?

(a) Each deepwater port, which meets the applicability requirements of part 154, subpart F, of this chapter must have a Facility Response Plan and be approved by the COTP.

(b) Each natural gas deepwater port must have a natural gas facility emergency plan that meets part 127, subpart B of this chapter.

(c) The response plan must be submitted to the COTP, in writing, not less than 60 days before the deepwater port begins operation.

Subpart B—Inspections

§ 150.100 What are the requirements for inspecting deepwater ports?

Under the direction of the OCMI, marine inspectors may inspect deepwater ports to determine whether the requirements of this subchapter are met. A marine inspector may conduct an inspection, with or without advance notice, at any time the COTP deems necessary, and may coincide with receipt of the annual self-inspection report from the operator to ensure stated conditions are accurate.

§ 150.105 What are the requirements for annual self-inspection?

(a) The owner or operator of each manned deepwater port must ensure that the port is inspected, at intervals of no more than 12 months, to determine whether the facility is in compliance with the requirements of this subchapter. The inspection may be conducted within 2 months after the date the inspection is due. However, the inspection is credited as of 12 months after the previous due date.

(b) The owner or operator must record and submit the results of the annual self-inspection to the COTP within 30 days after completion of the inspection. The report must include a description of any failure and scope of repairs made to components or equipment, in accordance with the requirements in Subpart I to this part, other

than the primary lifesaving or fire-fighting or transfer equipment.

§ 150.110 What are the notification requirements upon receipt of classification society certifications?

The licensee must notify the COTP, in writing, upon receipt of a classification society certification, interim class certificate, or SPM classification certificate.

Subpart C—Personnel

§ 150.200 Who must ensure that port personnel are qualified?

The licensee must ensure that the individual filling a position meets the qualifications for that position as outlined in the operations manual.

§ 150.205 What are the language requirements for port personnel?

Only persons who read, write, and speak English may occupy the essential management positions outlined in the operations manual.

§ 150.210 What are the restrictions on serving in more than one position?

No person may serve in more than one of the essential management positions outlined in the operations manual at any one time.

§ 150.225 What training and instruction are required?

Personnel must receive training and instruction commensurate with the position they hold. Procedures for documenting employee training must be outlined in the operations manual.

Subpart D—Vessel Navigation

§ 150.300 What does this subpart do?

This subpart supplements the international navigation rules in subchapter D of this chapter, and prescribes requirements that:

(a) Apply to the navigation of all vessels at or near a deepwater port; and

(b) Apply to all vessels while in a safety zone, area to be avoided, or no anchoring area.
